ITS SHOW TIME!!... MAKING YOUR EXHIBITION OUR PRIORITY

Priority Freight's Guide to Transportation/Handling.

**Priority Freight provide an on site help desk for assistance, advise and support.
One point of contact will be provided to ensure your exact needs are met.**

**Priority Freight are the official on site handlers for this show, we recommend pre booking of services.
One thing that ruins any successful show is exhibition goods being lost or damaged in transit.
Leave it to the experts...let us provide the complete transport solution...giving you peace of mind!
Our prices will be difficult to beat.**

* In receipt of your Handling Service Order Form - (this is located within your exhibitors manual, or alternatively please visit our website: www.priorityfreight.co.uk)

* Review dates and times for Build up and Breakdown of the show.

* Identify size and dimensions of your exhibition goods.

* Confirm where your goods will be located prior to build up dates.

*** How will your exhibition goods be transported to / from the show?**

Allow us the opportunity to provide a cost comparison for inbound / outbound movements for your event. Priority Freight offer a range of time sensitive and reliable logistic solutions.

TIP* Consider how your goods will be offloaded / re loaded on site? Do they require lifting i.e. forklift / crane?

How will Priority Freight assist you to meet Build Up / Breakdown Criteria?

Inbound Handling

Goods will be off loaded using lifting equipment, stored if necessary and delivered to stand area upon your request.

TIP* During show time , empty packaging will need to be stored away from the event.

Outbound Handling

A Priority Freight representative will liaise with you onsite to arrange outbound movements.

TIP* All goods arriving via courier will require someone to receive upon delivery.

Select-on site courier desk drop / delivery to stand - we will receive, store and deliver direct to stand.

PRIORITY FREIGHT WILL MAKE IT HAPPEN
